

# MY FAVORITE THINGS

Jackyln Taplin-Schiffrin's Essentials

**J**ackyln Taplin-Schiffrin is an avid shopper at Village at Merrick Park, a stay-at-home mom to daughter Brooklyn, and a philanthropist. She loves doing "Mommy and Me" activities and taking her daughter to the Music and Gymnastics classes at the Coral Gables Youth Center. Taplin-Schiffrin and a few moms also plan lunches at Nordstrom or Neiman Marcus after class with their little ones and then head over to Borders or Pottery Barn Kids. Philanthropy is also a huge aspect of her life and she feels that it is important to stay involved in many different charities. A few that she fully supports are the Barnyard Community Center, University of Miami Pediatrics, and Bass Museum of Art. The busy mom is also a big supporter of her grandfather's/family's charity, the Sol Taplin Charitable Foundation.
